

**CITY OF FULLERTON  
MEMBER OF THE CITY COUNCIL**

**MIKE CLESCERI**

**AGE: 39**

**OCCUPATION:** Fullerton City Councilman/Law Enforcement

Fullerton is a great place. I proudly serve as your Mayor. In 2000 you elected me to strengthen our revenue, improve public safety and enhance our quality of life.

Fullerton is fiscally sound. While surrounding cities borrow from cash reserves, new Fullerton businesses have strengthened our economy. Managing the city under tough budget constraints, we improved Fullerton's Police and Fire Departments putting more cops on the street and adding three new paramedic teams to better serve our residents.

My experience includes: Bachelors Degree in Business Management. 20-year law enforcement veteran and manager. I serve Fullerton on the Orange County Transportation, Growth Management Committees and Fullerton's Investment Advisory and Sister City Committees.

Fullerton's Police and Firefighter Associations support me because of my record and dedication to making our neighborhoods and schools safe.

Educators like Fullerton School Board Trustees Hilda Sugarman and Ellen Ballard support me because of my commitment to children. I am a founding member and President of Laguna Road Support Our School Foundation.

Trusted local leaders endorse me, including Congressman Royce, Assemblywoman Daucher, former Mayor Buck Catlin, Peter and Lois Godfrey, Harold and Shirley Muckenthaler, Patricia and Ron Soderquist.

I would again be honored to receive your vote. MayorClesceri@aol.com
